

Illinois Attorney General Consumer Alert

Is your child sleeping in a Jardine Crib?

Cribs pictured are only 3 of the 28 different models included in this recall.

320,000 Jardine Cribs sold at Toys “R” Us and Babies “R” Us* between 2002 and 2008 have been recalled after the slats or spindles broke on some cribs, causing a gap, which resulted in the entrapment of 4 infants.

What should you do if you have a Jardine Crib?

1. **STOP** using the crib immediately.
2. **CONTACT** Jardine at (800) 646-4106 to determine if your crib is part of the recall, or visit Jardine’s website at www.jardinecribreCALL.com. If you have a recalled crib, you will receive full credit toward the purchase of a new crib.
3. **CALL** the Illinois Attorney General’s Recall Hotline at (888) 414-7678 if you have questions about the Jardine crib recall or have any product safety or recall question or concern.
4. **SIGN UP** for email notification of all recalled products at www.recalls.gov.

*The cribs were also sold at **KidsWorld** and **Geoffrey Stores**.
