

Don't Learn About Recalls From Your Child Workshop Package Order Form

Kids In Danger (KID) is a nonprofit organization dedicated to protecting children by improving children's product safety. KID is pleased to offer *Don't Learn About Recalls From Your Child* to individuals and organizations to further the reach of KID's safety message. This one to two hour workshop package presents the urgent message of children's product safety and gives participants the tools they need to protect the children in their care from unintentional injury and death.
